

Slapton Parish Council

Vision

Slapton Parish Council aspires to maintain a vibrant, caring and sustainable community, whilst preserving the Parish's rural character, charm and heritage for residents and visitors alike to enjoy now and in the future.

Mission

Slapton Parish Council aims to:

- Represent the interests and aspirations of the community in a fair, balanced and informed manner for the good of all
- Take and communicate decisions in an open, honest and transparent manner
- Deliver statutory services, that meet local needs, in partnership with South Hams District Council and Devon County Council
- Deliver discretionary services, which promote community spirit and well-being, both independently and together with other local community groups
