

Torcross Sea Defence Urgent Works
Public Drop-in Event

**Stokenham Parish Hall
Kingsbridge TQ7 2SF**

Tuesday 30th June from 1pm to 7pm

Photo credit: Forest and Beach

The Environment Agency will share information about the planned rock armour work to strengthen Torcross sea defences.

Representatives from Devon County Council, South Hams District Council, and the Slapton Line Partnership will also be at the event to talk about their related work and wider coastal adaptation in the Slapton Sands area.

This is an opportunity to ask questions and stay informed about ongoing work.
